

MUSIC-MAKERS CHEER

BOYS AT CANTONMENT

Many Entertainments Given Each Week by Club Women. Typical Sunday Program.

Musical programs, for the soldiers of Fort Oglethorpe, continue to be the order of two or three afternoons and evenings each week in the various T. M. C. A. buildings. Mrs. Morris Temple, serving as chairman of the music committee of Chattanooga Music club, and also of the local branch of the National League for Woman's Service; Mesdames Mary Giles Howard, D. A. Graves, Harry Sloops and Earl Cook, of the Woman's club; Mrs. L. G. Browne and her committee of Kosmos; Mrs. W. L. Scott, of the First Baptist church; Mrs. Reita Faxon-Pryor, and others, have been untiring in efforts to secure the best musical and literary talent for the varied programs. Much help has been accorded the musicians by the Chattanooga Expression club, with Mrs. S. O. Bankson, president.

The Rotarians are furnishing cars, each week, to convey the companies. When the programs were first given rag-time was at a premium. While popular songs still continue in favor, there is a marked demand for classical music and the high grade moderns, say those in charge.

A typical program was given Sunday afternoon at the two training camps by Mrs. Morris Temple, soprano, and Miss Sarah Betterton, violinist, with Mrs. R. A. Bettis at the piano. While the program presented popular classical and patriotic numbers, sacred numbers are always included on the Sunday programs.

Among the latter were "I Will Extol Thee, O Lord," by Costa. Other numbers sung by Mrs. Temple were "The Lass With the Delicate Air," by Dr. Arni; "Boat Song," by Harriet Ware; "Springtime," by Baker.

Miss Betterton played "To a Wild Rose," by MacDowell, and Beethoven's "Minuet," in addition to other numbers.

Among popular songs were "Joan of Arc" and "Lookout Mountain."

Among patriotic songs were "America" and "The Battle Hymn of the Republic."

The Sunday programs are given earlier in the afternoon at the reserve officers' training camp and later at the medical camp, where the officers are usually hosts at a spread for the music-makers.

GIRLS! MOISTEN A CLOTH AND DRAW IT THROUGH HAIR

It becomes beautifully soft, wavy, abundant and glossy at once.

Save your hair! All dandruff goes and hair stops coming out.

Surely try a "Danderine Hair Cleanse" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will spend a few cents for a bottle of Knowlton's Danderine at any drug store or toilet counter and try it as directed.

Save your hair! Keep it looking charming and beautiful. You will say this was the best money you ever spent.—(Adv.)
